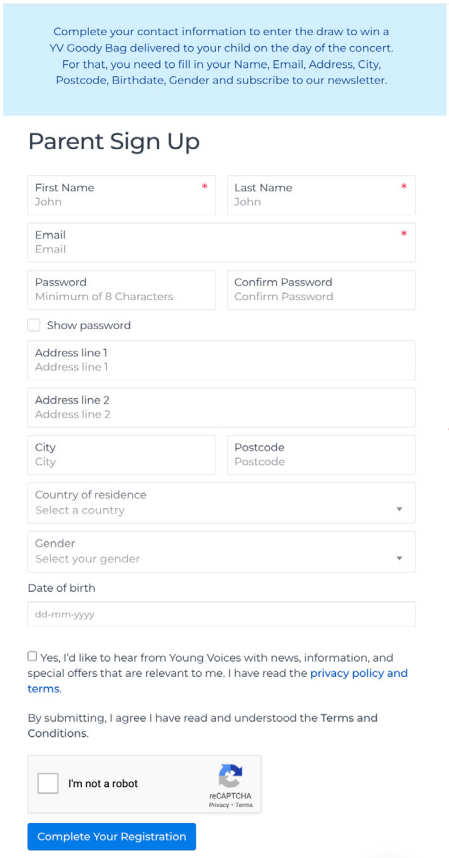
Parent dashboard functions

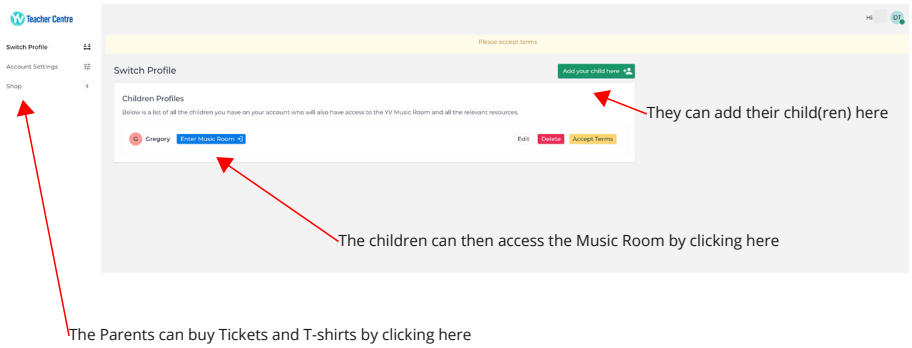
Parents see this page when you send them a link:

Here they can join your school account after which they can login and they will be taken to their homepage



The Parent Homepage looks like this:

Here they can add their child and give them access to the Music Room AND buy tickets and t-shirts.
(All orders are still sent in bulk to your school)



The Parents can buy Tickets and T-shirts by clicking here

You can then see the following from your homepage (by clicking on the relevant headings in the sidebar):

- All of the parents who have signed up in your "Parent List"
- All of the Children your parents have added in your "Student List"
- All your parents' orders and status in "Shop/All Orders"

TAKE THE HASSLE OUT OF YOUR TICKET ORDERS THIS TIME ROUND BY MAKING SURE ALL YOUR PARENTS SIGN UP TO THE MUSIC ROOM SO THEY CAN ORDER WITHOUT GETTING YOU INVOLVED
