20th April 2026

Dear Parents and Carers of children in Year 6

We would like to invite you to a meeting to discuss the upcoming RSE topic that your children will be studying on **Wednesday 20th May at 4pm.**

RSE is Relationships and Sex Education.

During this meeting we will share with you the content of the unit of work the children in Year 6 will be doing next half term. This unit does deal with bodily changes and there is one lesson specifically about human reproduction.

A large proportion of the work we will do with your children falls under the government's statutory Health and Relationships education and also the statutory science curriculum, which means your child has a legal right to receive this education.

We are aware that some parents may have concerns or questions about this and we urge you to attend the meeting so that we can discuss these.

We would always recommend that children hear the lessons from their teachers in the classroom, where misconceptions that may arise can be dealt with and any further questions the children have that are not covered in our curriculum can be passed on to you, the parents.

The Year 6 meeting will be on Wednesday 20th May at 4pm. We will be doing this virtually, as this was popular last year. If you would like support to access the meeting in school, please let us know and we can provide you with a space to access the meeting in school.
