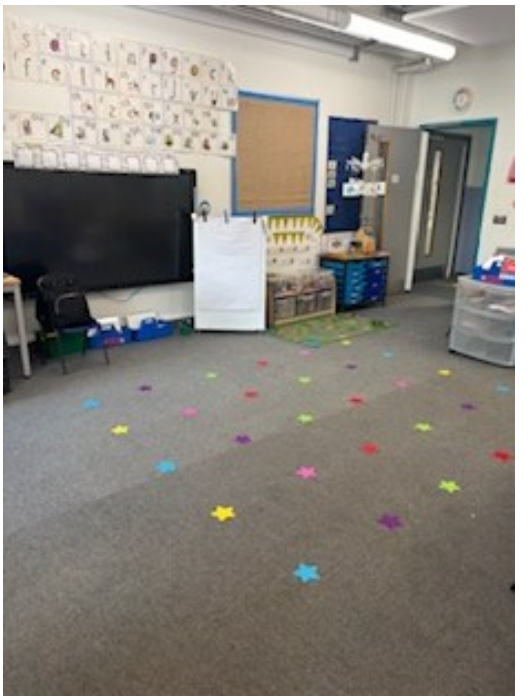
Welcome to your new school Twin Oaks.

Your class is called Cherry Class.



Have a look at your new classroom.

This is what learning you can choose to do inside:

Mark making and writing area

In the mark making and writing area you can choose to draw and write about anything that you want to. Any special drawing or writing that you choose to do, you can take it home to share with your home adults.

Maths area

In the maths area you can choose to explore counting objects, writing numbers, adding objects together or taking them away. There are lots of fun maths learning waiting for you to choose them!

Small world area

In the small world area you can choose to create or retell a story by using the different exciting resources with animals, people, vehicles or puppets.

Art area

In the art area you can choose to create anything that you want to by using the different exciting materials. Any special creations that you choose to make, you can take it home to share with your home adults.

Construction area

In the construction area you can choose to build and create anything that you want to by using the different exciting resources like a car, rocket or a tower.

Fine motor area

In the fine motor area you can choose to build and develop on your finger muscles by moulding the playdough into something, threading string through object's or holding the tweezers to pick up things.

Role play area

In the role play area you can choose to create and play being at home with your family in the home corner. You can pretend to make some yummy food and dress up in the dressing up clothes.

Reading area

In the reading area you can sit on the grass and choose to look at many of our beautiful and exciting books in the reading garden.

Zones of regulations

Every morning you will find your picture on our feelings wall and place it on the feeling that shows how you are feeling. If you are ever feeling a little worried, sad or would just like a hug, then we have two special stars waiting for you to hold them. You can pick them up at any time and tell them how you are feeling. They love to give special hugs!

Your Cherry Class adults are looking forward to welcoming you into your new classroom soon and having lots of learning fun with you!
